Abstract

Shri Bhagavad Gita and Shri Ramayan are not just sacred texts to be read, recited or professed. They are the guidelines set by the Supreme power to be practiced in day to day life to be at peace. Shri Ramayan and Shri Bhagavad Gita do not create a leader or a set of leaders they facilitate each seeker to transform oneself into a leader.

8th Mandal 49th Sukta 4th Mantra of Rigveda , practicing this Mantra will bring harmony, peace and order in the world which is currently going through violence and restlessness.

Samani va aakuthi – samana hrudayani va

Samana astu o manasa – yata va susahasathi

United be your purpose, harmonious be your feelings, and collected be your mind, in the same way as all the various aspects of the universe exist in togetherness and wholeness.

Guha Gita 6.3 or Hanuman Sukti (Gita press) 40th Shloka page #43

Deha Buddhya Tu DasoAsmi

Jeeva Buddhya TvaDamshaka

Atma Buddhya Tva Meva Ahamiti Me Nischita Mati

If the above conversation between Shri Hanuman ji and Shri Ram are adopted by the modern employee and employer, there would be no strife and disputes in corporate and industrial sector.

For being paid for what I do I am a worker in the project.

As a contributor to the project I am the part of a project.

With my commitment to the success of the project I am the project.

Adhyay 2- sholka 41 of Bhagavadgita

A composed person who is determinate is always directed singly towards one ideal (aim) whereas a disorganized and undecided person's mind wanders in all directions after fleeting aims.
