## 1.3.1. Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum Government First Grade College Raichur strongly believes in integrating crosscutting issues relevant to professional ethics, gender, human values, environment, and sustainability to ensure holistic development of the students. During past decades, the college has made efforts towards developing value based education vision to promote values to be a better citizen.

The NSS team and Kalpana Chawla cell organised many environmental and healthcare activities like Swatch Bharat Abhiyan, World Water Day, Health Camps and Exhibition, Healthy India, and a mega Voluntary Blood Donation Camp to address the issues related to environmental sustainability and human values.

Gender-related courses are an integral component of various programmes. Students are sensitized and encouraged to work towards gender equity from a cross-cultural perspective. Free counselling services are provided through a Counseling Cell. (Appointed by Govt. of Health department Raichur) Kalpana Chawla cell organizes seminars, conferences, guest lectures, exhibitions, street plays and literary activities that help in gender sensitization.

#### Legal Awareness for Preventing Violence against Women- Vasundhara Patil.

Nowadays with the increasing number of crimes, the need for students to be aware of the law is greater than ever before said Vasundhara Patil Assistant Professor of SCAB Law College, Raichur, in her chief guest speech at a function arranged at Government First Grade College, Raichur in ages with Kalpana Chawla Women Centre (KCWC) and IQAC.

She said that women should be self-protective by effectively using the laws enacted by the government.Smt.Pushpa, coordinator of KCWC said that Indian culture respects women. Women should be educated to be self-dependent and at the same time, they should be legally empowered.

Principal R.Mallan Gouda who chaired the function said that students should be bold enough to complain against harassment and protect their rights. IQAC coordinator Mahantesh Angadi said that there are many protective laws for girls and they need not live in fear. Co-coordinator Smt.Ishrat Begum, Sujatha Patil, Vijayshree Pail and other teaching and non-teaching staff participated in this programme.

## Self-Employment for Self-Sufficiency- Dr. Vasundhari

In this modern world, two paradoxical situations are seen in society as far as women-related issues are concerned. On the one hand, some women lead their life very independently and comfortably. On the other hand, the reverse is the situation, where women are being continuously exploited. The main reason for this pathetic condition of women is a defect in our social system, where women are not empowered and educated themselves to protest this situation and protect themselves, said Dr. Vasundhari. a famous gynecologist. She was speaking to our students on "International Women's Day" organized by Kalpana Chawla Women's cell of GFGC Raichur on 8<sup>th</sup> March as chief guest.

She also said that many women achievers in society achieved their goals and not only developed themselves but also contributed to the development of society and the nation as a whole. This is possible for them because of the education they got and the Knowledge they acquired. Therefore, she gave a call to the students to get a better education and improve their skills. In this present society and market, there is a great demand for constructive thinking and skill. So irrespective of gender students have to acquire the skills.

In his presential remarks, Dr. Yankanna Principal of our college opined that depending on employment, especially on Government jobs is only a limited opportunity. Hence he told the students to be enterprising instead of job seekers to become job providers.

The programme began with the prayer song by Bhoomika and the Co-ordinator of KCWC Smt. Pushpa gave the precise note about the programme and introduced the chief guest. There was fruitful interaction between the students and the guest. The programme ended up with a vote of thanks by Arshi Jamal. IQAC Co-ordinator Dr. Mahantesh Angadi were present.

#### WORLD BREASTFEEDING WEEK-7th August 2022

World Breastfeeding Week is celebrated every year in the first week of August i.e. from 1 st August to 7th August to bring awareness amongst youngsters about the importance of breastfeeding.

Kalpana Chawla women's cell of our college in coordination with IQAC and Navodaya medical college and Research centre Raichur, observed breastfeeding week on 6 th August 2022. Dr Roopakala, Assistant professor and Dr Lakshmi Assistant Professor of Navodaya Medical College and Research Centre, Raichur were the chief guests and resource persons. In their address to the final year students of B.A., B.Com. and B.sc course they initially told that the breastfeeding week was observed in 1992 to promote the campaign. The theme for this year is "Step up for Breast Feeding,

Educate and Support' Breast Feeding within one hour of the delivery and the first six months of the child's life also followed by continued feeding with appropriate complementary foods for two years is very much important. It increases the child's immunity and protects against many diseases like diabetes, cancer, allergies and obesity etc. Breastfeeding saves more than 8 lakh lives every year and reduces child mortality and mobility. Dr Yankanna, principal of GFGC presided over the function. Dr Pushpa, Assistant professor and Co-ordinator, KCWC welcomed the guests and audience and also delivered an introductory speech.

Smt. Ishrat begum, Assistant professor, delivered the Keynote address. Sri Mahantesh Angadi IQAC Coordinator was present at the function. The programme was concluded with a vote of thanks by Smt. Reshma Begum.
