Sub: Quotation for Easylib- Entire Automation System for Libraries

Dear Sir,

Thank you for giving us an opportunity to present information about Easylib - Entire Library Automation Software to you. In continuation with our relationship regarding Easylib I am pleased to send you a quotation for the automation of your library.

**Easylib:** As the name indicates, is a comprehensive Automation System for Libraries. It has been developed by IT professionals under the guidance of expert library science professionals. Easylib is a proven product with over **550 installations** all over. In fact today It is one of the most preferred library automation software due to its performance and high reliability.

### BENEFITS:

- **Data residing on a server central to your entire network**
- **Ability to perform extensive search (OPAC) from various terminals in your LAN**
- **Ability to perform various library related activities (Charging, discharging, acquisition etc) from the authorized personnel**
- **Built in Security and Logon mechanism for the software**
- **Ability to build and manage your own digital library**
- **Ability to connect to other digital information on the net through the software**
- **Bar coding and barcode compatibility of your entire library stock**
- **Your own library on the internet for search at home (optional)**
- **Multilingual data entry facility**

Terms and Conditions:

- a. Easylib is copyrighted and can be used only at the intended place.
- b. Payment: 75% payment advance along with Purchased order and balance 25% with 30days from the date of installation of software
- c. We shall provide two days training to the Library Staff explaining the complete operation on the software.
- d. On confirmation of the order, we will check the infrastructure, install the software, get the operations started on the data entry. You will also be given a detailed user manual in printed form and also online help.
- e. Warranty : 12 Months
- f. Annual Maintenance Contract (AMC): After the completion of one year we will be charging 15% of the invoice value or Rs 15,000 which ever is high towards Service and Support. The software will be delivered in the Present released version.
- g. Taxes and levies will be extra as applicable.
- h. Any minor modification in the software will be tailored and tuned free of cost. All major enhancements like providing an additional module will be charged extra.
- i. Any up gradations in the software will be delivered free of cost for one year from the date Installation.
- j. Any natural breakdown in functioning of the software will be attended free of cost but such unnatural thing that lead to an act of negligence from client's part will attract penalty in terms of cost based on the size of the damage.
